## Jan 7 OR CZARA Update Action Items

Allison will check out setting up a google drive to share comments received on EPA/NOAA proposed decision sent out on December 20th.

Christine will let Allison know whether NOAA should participate on the Jan 23<sup>rd</sup> meeting with Oregon on OR CZARA/TMDL Litigation once she finds out the agenda and checks with EPA R10's Regional Administrator, Dennis, on who should be attending.

# Non-Responsive

In our response to Oregon's December submittal of the OSDS update, we will include an offer to discuss our comments further via a conference call on this response as well as our response on December 20<sup>th</sup> on Oregon's new development update.
